SHIV NARAYAN SHARMA

Uttar Pradesh, India, +91 7820092916 shivkaushik839@gmail.com

SUMMARY

Motivated and detail-oriented B.Tech student with a solid foundation in Java and front-end technologies. Experienced in developing voice-based software solutions and passionate about building efficient, user-friendly applications. Quick learner with strong problem-solving skills, eager to contribute in real-world tech environments.

PROJECTS

AI Voice Email Writer
Developed a voice-command-based email writing application using Java and Speech Recognition. The system converts voice input into structured email text. HTML and CSS were used for a clean, user-friendly interface.

Student Result Management System (Java Console App)
Built a Java-based application to store and display student academic records. Supports adding marks, calculating percentages, and assigning grades. Demonstrates use of OOP concepts and file handling in Java.

Library Management System (Java GUI)
Designed a desktop application using Java Swing to manage book inventory, issue/return records, and student users. Included basic login functionality for admin access. Strengthened understanding of GUI and event handling in Java.

Online Quiz App (Java GUI)
Developed a Java-based quiz system with a graphical user interface using Swing. Users can attempt multiple-choice questions and get real-time feedback and scores. Included a timer and navigation between questions.

Real Time Chat APP
Built a real-time chat application with instant messaging features, user authentication, and persistent message storage.

Live Coding Playground
Developed an interactive live coding platform where users can write, edit, and execute code in real-time. Integrated collaborative editing features with instant output rendering and syntax highlighting.

EDUCATION

Sanskriti University , B.Tech Student – Computer Science **2022-2026**

Currently pursuing B.Tech in Computer Science with a focus on software development and web technologies. Actively involved in hands-on project development and eager to apply academic knowledge in real-world applications.

Adarsh Gyan Sarover Public School (Matriculation & High School) **2020-2022**

High School with a specialization in Physics, Chemistry and Mathematics (PCM)

ADDITIONAL INFORMATION

- **Technical Skills:** JAVA, C(Basic), HTML, CSS, MySQL, VS Code, Microsoft Word & PowerPoint
- **Certifications:** The Complete Java Certification Course - Basic to Advanced (Udemy), JAVA Programming course (Great Learning), Responsive Web Design Certification.
